FIREGROUP / TRYOPENCLAW + CLAWEXPERTS + PROMER / 2024 - PRESENT

TryOpenClaw, ClawExperts and Promer: visual systems for global products and community.

Shaped Promer and the TryOpenClaw / ClawExperts ecosystem from their earliest stage, establishing the visual foundations before launch and carrying them into live product, campaign and community systems. The event series spans identity, content, venue graphics, merchandise, social, filming and post-production; Promer extends the same hands-on design ownership into a global AI web-app and growth experience for e-commerce merchants.
